Job Postings

Over 114,600 Approved Job Postings Across the World

In the year 2021

Employers

- Students can opt to be visible for employers to search
- Third party recruiters (staffing agencies) do not have access to view students’ profiles and messages
- Students can read peer reviews and ask questions about organizations

Advising Tips

- Remind students to update their information (e.g., resume, experience) at the end of each semester to stay relevant
- Use Handshake to determine how industries align with a students’ current major, or help them explore plan B
- Research organizations and contact recruiters
- All organizations and jobs are reviewed by Career Services staff
- Students can upload resumes, cover letters, and transcripts

Additional Features

**MAROON & GOLD NETWORK**

An online career and networking platform developed by the Alumni Association where alumni can give career-related advice to current students and fellow U of M grads.

- Relocation information for all major U.S. cities, as well as countries around the world
- List of U.S. organizations that have filed for an H1B visa in the past 2 years
- State or country job search and resume tips, as well as regional job market information

**GoinGlobal**

- Short career related videos that students can view, incorporate into classes, or post on their website.

**CandidCareer.com**

Short career related videos that students can view, incorporate into classes, or post on their website.

**InterviewStream**

Provides 7,000 prerecorded, industry-specific & case interview questions that will record students’ responses.
